

## Standard Enlargement Procedures

(Declassified Satellite Imagery -2 and 9 x 18 photographic prints)

Example

Example of how the area may be marked for a contact 9"X9" or an enlargement to an 18" x 18" or 36" x 36" print.

1. Order the photographic contact print.
2. Mark a horizontal 9-inch area anywhere along the bottom border of the photo for a 9"X9" print, or an enlargement to an 18" x 18" or 36" x 36" print. This can be tape or marker. See example.
3. Return the marked photo to the address below with instructions for enlargement. A set-up fee of \$25 will be charged for each area marked on the print for enlargement. Please include payment information and a copy of the shipping summary from the original order.
4. Upon completion of your order, the enlargement product and the original print will be sent to you.
5. Priority processing of your enlargement order is available at three times the cost of the enlargement product and set-up fee.
